

LAI FL SUNCOAST LAND ECONOMICS DIALOGUES (LED)

Sponsorship Opportunities

Wednesday, February 25, 2026 | 9:00 AM – 4:00 PM

Hosted by the Florida Suncoast Chapter, Lambda Alpha International — The Land Economics Society

ABOUT THE EVENT

In conjunction with the [Lambda Alpha International](#) (LAI) *One-by-Land, Two-by-Sea Tours* (February 25–27, 2026), the Land Economics Dialogues (LED) will convene in Sarasota for a full-day working session centered on one of the region's most pressing challenges:

How can a coastal city of extraordinary natural and cultural assets protect the very resources that drive its growth and prosperity?

Sarasota is world-renowned for its barrier island beaches, thriving bay, and vibrant arts culture. Yet decades of rapid development and unprecedented population growth now place these assets under pressure.

The FL Suncoast LED will bring together a select delegation of preeminent land and water economics professionals — investors, planners, environmental experts, scientists, policymakers, and visionaries from across the globe — to apply their expertise to this vital question. Through focused dialogue, collaborative analysis, and direct engagement with community leaders, participants will explore water challenges, economic dynamics, and nature-based solutions that can strengthen Sarasota's resilience and long-term prosperity.

This is a rare opportunity to convene global expertise in service of local issues, creating actionable ideas that will resonate well beyond our region.

UNITED BY LAND. CONNECTED BY EXPERTISE.

The LAI Land Economics Dialogues event distinguishes the FL Suncoast as a living laboratory for resilient growth, sustainable development, and innovative problem solving. Attendees exchange knowledge and forge cross-disciplinary solutions to challenges that affect not just this region, but coastal communities worldwide.

Your sponsorship ensures Sarasota is at the forefront of this global conversation.

WHY SPONSOR?

By sponsoring the FL Suncoast LED, your organization helps power a transformative day of insight, collaboration, and impact.

Benefits of sponsorship include:

- High-visibility brand alignment with a prestigious international network of thought leaders.
- Direct association with solutions-oriented dialogue around land use, economics, and sustainability.
- Lasting recognition through the published PAD Report — a resource distributed to local and regional leadership.
- A meaningful opportunity to demonstrate corporate social responsibility and community stewardship.

Your support positions the FL Suncoast not just as a community of beauty and culture, but as a model for responsible planning, resilience, and innovation.
